**Join others across the nation and
[DumpthePump](#) and try transit!**

The National 2009 Dump the Pump Day celebrates the difference people like YOU are making each and every day by using public transportation. By keeping more cars off the road, public transportation helps to both conserve gasoline and promote a healthier, cleaner environment.

GRTC Transit System thanks you for your support and invites you to join us as we [DumpthePump](#) on June 18th!
